

DUO SUPPORT COLLECTION

Milkwood
Duo Support Top
Firm

BioShield CoolKnit Fabric

Experience a cooler, clean and allergen free sleep surface with enhanced breathability and lasting comfort.

Comfort Layers Firm Comfort

Incorporates high-density foam for support and spinal alignment, reducing back discomfort.

Bio Polymat

A supportive mat layer, crafted using innovative repurposed fibres for resilience.

Bio Pad Core Support Unit

Crafted using repurposed polyester fibres, to add extra strength and stability. Cushioning base layer absorbs motion pressure for long-lasting support.

Bonnel Spring Unit

Interconnected Bonnel springs promote even support through the sleeping area and enhanced durability.

Edge Support

Reinforces the mattress edge and increases your sleeping area by preventing the edges from sagging.

Green Sleep

Edblo is living up to its responsibility to future generations by using renewable natural resources and recycled plastics in our beds.

Recycled Bottles

Recycled PET
