

DESIGN YOUR DREAMS

ELEVATE 2 Brilliance

1 Flex & Cool Knit Fabric

Stay cool, dry and comfortable all night with breathable, soft cotton fabric that enhances airflow for a durable, anti-bacterial sleep experience.

2 Reflex Latex Response Layer

Reflex Latex foam for a resilient, buoyant feel and gentle comfort.

3 Support Layers

Conforms and distributes body weight.

4 Reflex Layers

Determines the mattress feel and works with the support layers to allow for personalized comfort.

5 Biorenew Core Layer

Crafted from high-density repurposed materials, this core offers personalized support for enhanced sleep quality.
