

DESIGN YOUR DREAMS

ELEVATE 7 Prominence

1 Flex & Cool Knit Fabric

Stay cool, dry and comfortable all night with breathable, soft cotton fabric that enhances airflow for a durable, anti-bacterial sleep experience.

2 Contour Sense Foam

Precision-cut foam contours to your body, enhancing comfort and breathability for a cooler, pressure-free sleep.

3 Breeze Comfi Coil™

Individually wrapped miniature coils built to provide a cool and comfortable sleep experience.

4 Support layers

Conforms and distributes body weight.

5 Hyper Flex Core Layer

Combinations of Compacted Reflex Hi-Density speciality foams provide a consistent long lasting support.
