

DESIGN YOUR DREAMS

POCKET

Bayside

FIRM

1 ActivCare Protection

Added layer of protection keeps sleep surface hygienically fresh. Anti-microbial treatment added to the knit fabric promotes a hygienic sleep environment. Long-lasting protection against dustmites and unpleasant odours.

2 Cool Knit Fabric

The perfect knitted cotton fabric keeps you cool and dry all night. Soft and flexible to the touch. Breathable, durable and anti-bacterial.

3 Gel Foam - Active Cooling

Infusion of gel cells and foam, promotes airflow to allow heat dissipation, regulating your body temperature.

4 Insulator Pad

A combination of fibres and foam, prevents comfort layers from shifting, for a restful night's sleep.

5 Pocket Spring System

Individually wrapped pocket springs, independently respond to pressure, contouring to your body for no partner disturbance.

6 Surround ActiveEdge® System

Positioned along the mattress perimeter to prevent edges from sagging and increase sleeping area.
