Sealy Classic Preferred Firm

COOLING TECHNOLOGY

This bed features the latest fabric treatments, chosen for their cooling and health-promoting qualities that reduce dust mite allergens and keep your mattress surface clean and fresh, the natural way.

1

COOLKNIT

Made from a special cotton-knit fabric with long-lasting, breathable, anti-bacterial qualities. Ensures your sleep is always cool, comfortable and healthy.

2

CLIMATE CONTROL AND BREATHABILITY

Cover fabric with cool-to-the-touch technology helps promote a comfortable sleeping environment.

EARTH FRIENDLY

Sealy is committed to supporting healthy life and a healthy planet.

Our beds are made from raw materials that are sustainably sourced, free from harmful chemicals, and contain elements made from recycled products.

3

ALLERGEN PROTECT™

Protects the mattress from common allergens, such as dust mites, helping it stay fresh and healthy

4

ZONE SUPPORT

High density foam centre provides power-packed body support in the centre third of the mattress, reducing body impressions and providing additional support to the lower back allowing muscles to relax and recover.

5

PRESSURE RELIEVING FIRM FOAMS

StayTrue™ comfort layers make up the foundation of your mattress comfort fillings to support your body with the different comforts.

6

DURAFLEX™ REINFORCED EDGE SUPPORT

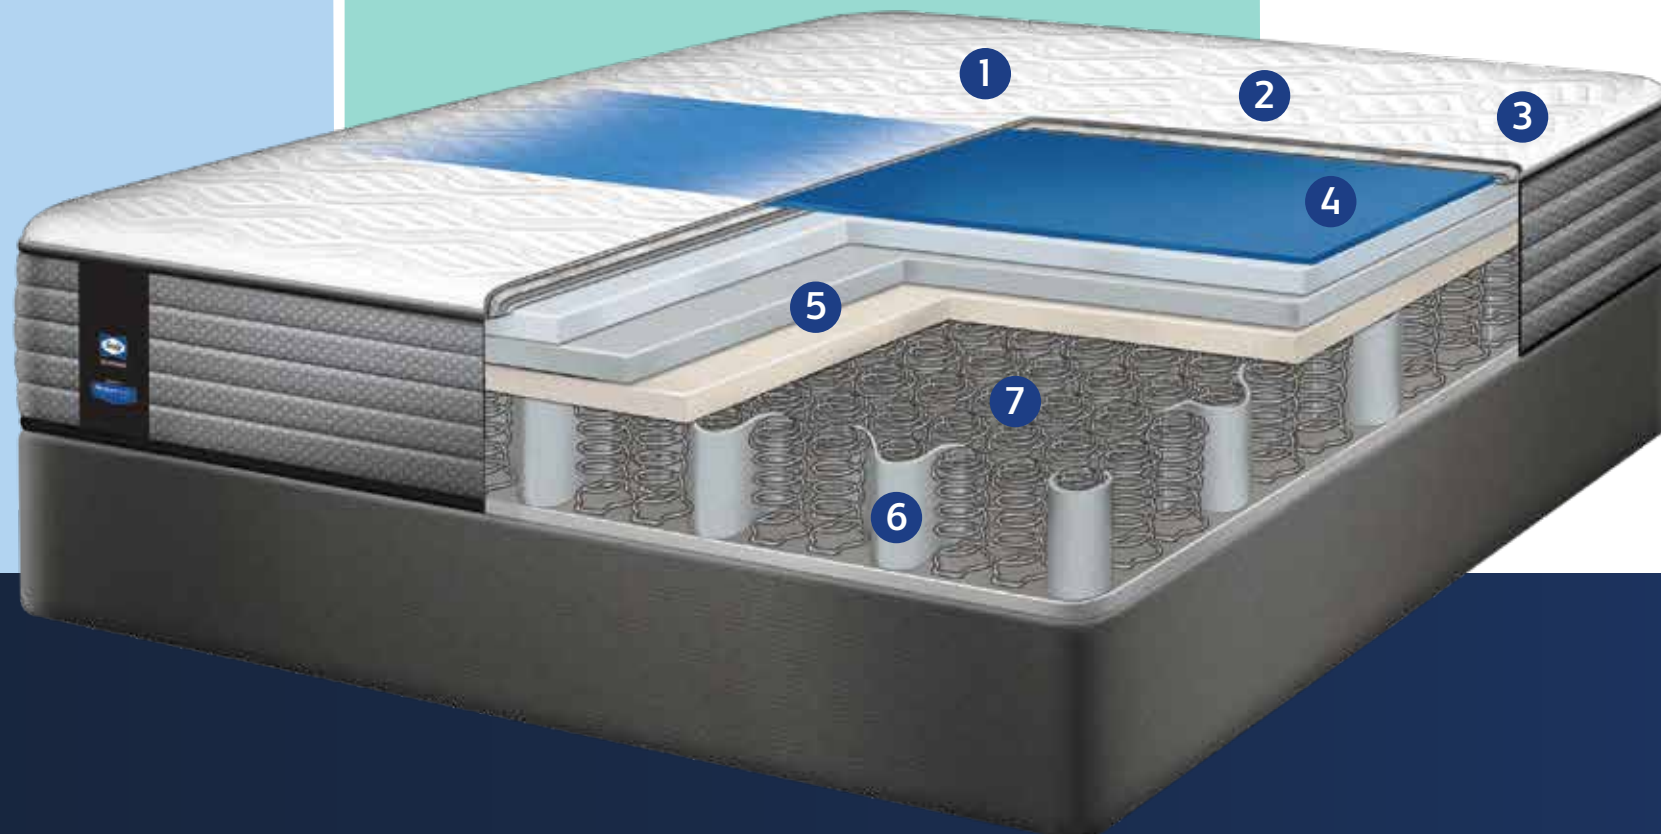

High density foam border inserts, supports the edge of the spring system, provides a firm seating edge and increases sleeping area.

7

EXCLUSIVE DOUBLE OFFSET SPRING SYSTEM

works with a hinging action to deliver correct back support with no roll-together. Originally designed by doctors.
